Where Old Fashioned Service Meets Modern Day Technology

Our Mission Statement:

To provide a quality and professional automotive maintenance and repair facility for your automobile, light truck and SUV vehicle.

What We Can Do For You, The customer:

1. Wilton Auto and Tire Center can provide service for single and multi vehicle families, along with business fleets of any size, providing owners and fleet managers the lowest cost per mile in maintenance costs, by performing regularly scheduled maintenance and bringing to your attention any items that are failing, or potentially failing in the near future.
2. Wilton Auto and Tire Center has the ability to devise custom maintenance services based on individual driving habits and needs. By following these recommendations, our goal is for you to realize your vehicles full potential of 200,000 miles or more. We base our recommendations from the following resources:
 1. Manufacturers & Industry recommendations
 2. Our staff (technicians, service manager, service advisor, and our owner) has spent time discussing trends in maintenance and how **WE** maintain our own vehicles...*How often do you hear of an automotive technician's vehicle breaking down??*
 3. Our knowledge of problem trends of your vehicle.

At Wilton Auto and Tire Center, we take all factors into consideration, providing customers a great value derived from good advice from our team of automotive service professionals.

With this advice, your vehicle being serviced with BG products that can provide a protection plan, coupled with our Napa Auto Care "Peace of Mind Warranty", and a 2 year,24,000 mile warranty! We are able to deliver a superior product to you, our customer.

Why Preventative Maintenance?

By performing maintenance on your vehicle, we can perform *all* of your vehicles service needs at *your* convenience. Bring your vehicle in when you have planned for it, rather than waiting until a mechanical failure (ex. brakes grinding, oil light flashing etc.) that sidelines you and your vehicle. What is worse than being without your vehicle when you need it most?

Services offered:

1. All maintenance and repairs of autos and light trucks including, but not limited to:
 - a. BG maintenance services
 - b. Expert, Computerized Wheel Alignment
 - c. Tire sales, repairs, mounting and balancing
 - d. Computer diagnostics for Engine drivability and emissions control, anti lock brakes (ABS), traction control (TRACS), air bags (sir)
 - e. Complete brake and suspension work
 - f. Climate control, heating and air conditioning
 - g. Power windows and interior components
 - h. Full interior and exterior detailing available
